

# BIG O EMULSIFIABLE SOLVENT DEGREASER

## PRODUCT SPECIFICATIONS

Color:	Orange
Specific Gravity:	.810
Pounds/Gallon:	6.76
Viscosity:	Low

**BIG O** is a new trend setting formulation that keeps pace with today's safety and environmental regulations. This powerful solvent-based degreaser/deodorizer is specially blended to outperform the conventional hazardous solvent degreasers. **BIG O** is perfect for all types of clean-up operations involving asbestos abatement projects. **BIG O** is the natural choice for the removal of adhesive, grease, tar and tile mastic containing asbestos. Primarily an organic orange extract, **BIG O** has an extremely strong natural citrus fragrance to deodorize effectively even under the worst conditions and the vapors are not considered harmful. Greases, oil and fats emulsify easily without the use of harsh acids, alkaline or hazardous solvents, making **BIG O** a perfect drain cleaner/maintainer.

## APPLICATION PROCEDURE

### RECOMMENDED USES

Tar removal: use product straight depending on length of time tar has been on surface. Can be cut back accordingly.

Mastic Adhesive Removal: Use as is or cut to 50/50 with water. Use in conjunction with floor scrubbing equipment. Keep floor surface wet. Pick-up solution with wet-dry vacuum. Adhesive-wipe all surfaces clean with mop or rag.

Heavy Duty Cleaning: For degreasing and rubber tire removal on concrete floors dilute product 1:9 with water until a uniform emulsion is formed. Let stand 2 minutes, scrub thoroughly and rinse off.

Surface Degreasing: Add 2-4 ounces of product to 1 gallon of water. Apply by spraying, brushing or mopping. Allow solution to stand for 5 minutes. Rinse thoroughly. Product may also be applied straight and pressure washed off with water.

Drain cleaning: Pour 6-8 ounces of product directly into clogged drain. Let stand for 1-2 hours. Flush drain with hot water. To control severe odors, dilute 2 ounces of product with 1 gallon of water. Mixture can be sprayed or mopped onto surface.

### PRECAUTIONARY INFORMATION

Contains petroleum distillates. Avoid contact with eyes and prolonged contact with skin. In case of eye contact, flush with water for 15 minutes, then get prompt medical attention. For skin, wash with water. If irritation persists get medical attention. KEEP OUT OF REACH OF CHILDREN. This product is combustible. Do not take internally. Do not use or store near heat, spark or flame. Keep container sealed when not in use.
