

FLOOR BRITE CONCENTRATED CLEANER & FINISHER

PRODUCT SPECIFICATIONS

Color:	Clear Golden
Specific Gravity	1.02
Odor:	Slightly Sweet
pH	13.2
Coverage	2500-3000 sq. ft/gallon

FLOOR BRITE is a premium low foaming detergent cleaner formulated for use with automatic floor scrubbers. Foam dissipates on the floor almost immediately so that the recovery tank cannot get "suds" clogged. A golden straw colored clear liquid with mild citrus and glycol ether. **FLOOR BRITE** is a new revolutionary formulation of specialized solvents, synthetic detergents and alkaline builders that insure fast, effective and complete removal of all common soils including grease, oil, wax, gum, ink, soap scum, tar and other stubborn soils. This product is bio degradable, phosphate-free, non-corrosive, non-flammable and non-fuming. **FLOOR BRITE** represents the latest technology in a floor cleaner and protectant while delivering remarkable gloss and a truly tough long wearing finish. **FLOOR BRITE** meets or exceeds NS or CSMA requirements for slip resistance ASTM D2047-69.
